### How to calculate the accommodation payments

The Effective Maximum Permissible Interest Rate is 4.02% from 1<sup>st</sup> January 2021 to 31<sup>st</sup> March 2021. This is reviewed quarterly by the government and subject to change.

Residents can choose to pay for their accommodation by a refundable accommodation deposit (RAD), a daily accommodation payment (DAP), or a combination of both.

The DAP is calculated by multiplying the RAD (or the unpaid portion of the RAD) by the interest rate set by government (currently 4.02% per annum) / 365 days (/100).

For example:  $\frac{\$450,000 \times 4.02\%}{365} / 100 = \$49.56$  DAP per day

Or a combination payment at 50% of the price by the RAD being \$225,000 and 50% of the price by the DAP being \$24.78 per day.

Note: For concessional/fully supported residents the above accommodation fees do not apply.

### Means Tested Care Fee

Residents may also be required by the Federal Government to pay a means tested care fee (MTCF). This is a dollar amount a resident may be asked to contribute to their cost of care, based on the outcome of their Centrelink income and assets assessment.
